

2019 Sponsorship and Exhibitor Opportunities

CCO Oregon’s annual conference -- to be hosted Tuesday, September 24 at the Salem Convention Center -- is a hallmark in the coordinated care stakeholder community attracting over **275 attendees** representing health and human service providers, system administrators, CCOs and other payers, elected officials and other decision makers, community based partners, advocates and others interested in health transformation each year.

Sponsorship and exhibitor opportunities listed below are designed to help you capture the attention of participants before, during and after the annual conference. As we look to the start of the new CCO contracts, new partners, new projects, and new opportunities for further integration in coordinated care, the annual conference is a great way to increase name recognition and strengthen relationships with key stakeholders.

Other benefits and arrangements may be arranged upon request.
