

## Sponsorship Opportunities: 2022 Annual Conference

The 9th annual CCO Oregon conference is Thursday, September 29, 2022, and we will be celebrating the 10th anniversary of CCOs and the coordinated care model in Oregon. We look forward to greeting attendees in-person at the Salem Convention Center for this full day event after being virtual for the past two years.

CCO Oregon's virtual and in-person conferences consistently attract approximately 400 attendees representing CCOs and insurers, hospitals and clinics, health and human service providers, system partners, and community-based organizations interested in health transformation. [Learn more about past conferences at www.CCOOregon.org](http://www.CCOOregon.org).

The sponsorship and exhibitor opportunities listed below are designed to help you capture the attention of participants before, during, and after the annual conference. Your contribution ensures that we are able to continue offering high quality programming and engagement opportunities for the coordinated care community. This year, we have a special opportunity for sponsors to be included in the 10-year celebration of the coordinated care model in Oregon.
