- Minimum Weekly Benefit Amount: \$70.51
- Maximum Weekly Benefit Amount: \$1,692.16

Job Protections

- Employees' jobs are protected if they have worked for the employer more than 90 consecutive days
- Job protection applies regardless of employer size, however there are some differences for small and large employers
- Employers must return employees to equivalent positions (or similar positions for small employers and if position no longer exist)
- Continue health benefits while employees are on leave, with some specifications
- Employers cannot discriminate or retaliate over employees taking or asking about Paid Leave
